

# **Watervliet Local Development Corporation**

## **Mission Statement**

The mission of the Watervliet Local Development Corporation (WLDC) is to stimulate economic development in the City of Watervliet. The WLDC's approach will be community-driven and comprehensive. The WLDC will partner with stakeholders from the City of Watervliet, local chambers of commerce and the private sector. We will use a vast number of economic tools including loan and grant programs and appropriate training programs.
